

# NEW-HOPE

for high blood pressure

## Are you seeking NEW HOPE for your high blood pressure?

We are currently enrolling participants for a clinical research study of an investigational drug for high blood pressure.

If you are 18 years of age or older and have high blood pressure, you may be able to participate.

### Qualified participants will receive at no cost:

- Investigational study drug
- Study-related physical exams and assessments
- Education about your condition
- Compensation for time and travel

### To find out if you can be a part of the NEW-HOPE study, please contact:

Novel Evaluation With QGC001 in Hypertensive Overweight Patients of Multiple Ethnic Origins (NEW-HOPE)

Version 02: 10-10-2017

Participants in clinical research are critical for the development of new treatments!
