

The National Health Service Corps announces its **2010 Scholarship Program**

Receive a scholarship to advance your career in primary care, and make a difference by serving a community that needs you.

APPLY NOW! Applications are due by 5:00 p.m. EDT June 1, 2010

The NHSC is a network of more than 10,000 primary health care professionals and sites that serve the most medically underserved regions of the country. To support their service, the NHSC provides primary care clinicians with financial support in the form of scholarships and loan repayment.

What is the NHSC scholarship?

The NHSC awards scholarships each year to students pursuing careers in primary care. The scholarship includes:

- Payment for tuition
- Required fees and other reasonable educational costs
- A monthly stipend.

In return, students commit to serve in the Corps for 2 to 4 years upon completion of their training.

Scholarships will be awarded by September 30, 2010

The NHSC will award about 125 scholarships for 2010. More than 75 of these awards are made possible by American Recovery and Reinvestment Act funding.

Students not selected for an award will be notified by October 30, 2010. We encourage students who do not receive scholarships to apply to join the NHSC after their training and receive loan repayment in exchange for service in an underserved community.

To receive a NHSC scholarship, you must be a:

- U.S. citizen or U.S. national
- Full-time student at an accredited school, pursuing a degree in:
 - Medicine (DO or MD)
 - Certified nurse midwife
 - Dentistry
 - Physician assistant.
 - Nurse practitioner

Apply now!

1. Read the "Application and Program Guidance" at www.nhsc.hrsa.gov/scholarship.
2. Complete and submit your online application, by going to <https://healthcareheroes.hrsa.gov/nhscsp/>.
3. Complete and mail in supporting documentation. Instructions are in the "Application and Program Guidance."
