

Hot Topics With Experts: DIVERSITY AT ITS BEST!

**WEDNESDAY,
NOVEMBER 1, 2017**

Check-in and Reception: 6:00 PM
Program: 6:30 PM-8:00 PM

HYATT REGENCY DENVER
Centennial Ballroom D-E, Third Floor
650 15th Street, Denver, CO 80202

CHAIRS

Wayne B. Batchelor, MD, MHS
Southern Medical Group, PA
Tallahassee, FL

Cindy L. Grines, MD
Northwell Health, North Shore University Hospital
Manhasset, NY

Roxana Mehran, MD
Icahn School of Medicine at Mount Sinai
New York, NY

INVITED FACULTY

Oluseun Alli, MD
Novant Health Presbyterian Medical Center
Charlotte, NC

Jaya Chandrasekhar, MD
Mount Sinai Medical Center
New York, NY

Alaide Chieffo, MD
San Raffaele Scientific Institute
Milan, Italy

Foluso Fakorede, MD
Delta Regional Medical Center
Greenville, MS

C. Michael Gibson, MD, MS
Beth Israel Deaconess Medical Center
Boston, MA

G. Mark Jenkins, MD
Methodist Dallas Medical Center
Dallas, TX

Paul A. Jones, MD
Mercy Hospital & Medical Center
Chicago, IL

Susheel K. Kodali, MD
NewYork-Presbyterian/Columbia University
Medical Center
New York, NY

Gary Puckerin, PhD
National Minority Quality Forum
Washington, DC

Kimberly A. Skelding, MD
Geisinger Medical Center
Danville, PA

Molly Szerlip, MD
The Heart Hospital Baylor Plano
Plano, TX

Mitchell Weinberg, MD
Northwell Health Physician Partners
Manhasset, NY

Jose M. Wiley, MD
Montefiore Medical Center
Bronx, NY

AGENDA

6:30 PM Introduction by ABC President

HOT TOPIC I: PCI

Moderator: Roxana Mehran

Panel: Wayne B. Batchelor C. Michael Gibson, Cindy L. Grines, Kimberly Skelding

6:35 PM Inclusion of Women and Minorities in Stent Studies: Closing the Gap - The Diversity Trial
Wayne B. Batchelor

6:45 PM Discussion

HOT TOPIC II: TAVR

Moderator: Cindy L. Grines

Panel: Oluseun Alli, Jaya Chandrasekhar, Alaide Chieffo, David Holmes, Susheel K. Kodali, Molly Szerlip

6:55 PM The TVT Registry Profile: A Call to Action
Molly Szerlip

7:02 PM TAVR in Women: The Important Sex-Based Predictors - Insights From the WIN TAVI Study
Alaide Chieffo

7:07 PM Discussion

HOT TOPIC III: PAD

Moderator: Wayne B. Batchelor

Panel: Foluso Fakorede, G. Mark Jenkins, Paul A. Jones, Mitchell Weinberg, Jose Wiley

7:25 PM Diagnosis and Treatment of PAD in Minorities
Mitchell Weinberg

7:32 PM Impact of Diversity In Clinical Care on Healthcare Economics: The Right Formula
Gary Puckerin

7:39 PM Panel Discussion

8:00 PM Adjourn

Sponsored by the

Association of Black Cardiologists, Inc.

An Evening Program at

Hot Topics With Experts: DIVERSITY AT ITS BEST!

**WEDNESDAY,
NOVEMBER 1, 2017**

Check-in and Reception: 6:00 PM
Program: 6:30 PM-8:00 PM

HYATT REGENCY DENVER
Centennial Ballroom D-E, Third Floor
650 15th Street, Denver, CO 80202

OVERVIEW

Racial/ethnic and gender-based disparities exist in various stages of the healthcare delivery process, from clinical trials to cardiovascular disease outcomes, and bear significant impact on quality of care. This program provides competencies for identifying disparities affecting at-risk patient populations and discusses strategies for addressing these disparities in practice. Topics covered include gender disparities in clinical studies, outcomes disparities in patients receiving TAVR, and outcomes disparities in patients with coronary artery disease (CAD) or peripheral arterial disease (PAD).

CME Accreditation and Designation

The Cardiovascular Research Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cardiovascular Research Foundation designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objectives

By the end of this program, participants should be able to:

- Evaluate gender disparities in clinical studies.
- Identify the role of race and gender in outcomes of patients with CAD, PAD, and valve disease.
- Evaluate strategies to enhance enrollment and retention of women and minorities in clinical trials evaluating devices and medications.

Target Audience

This educational activity is designed for interventional cardiologists, clinical cardiologists, and other healthcare professionals involved in the management of patients with acute coronary and endovascular syndromes

Activity Evaluation

Evaluation by questionnaire will address content, presentation effectiveness, possible bias, and future educational needs.

Disclosure Statement

It is the policy of the Cardiovascular Research Foundation to ensure balance, independence, objectivity, and scientific rigor in all of its sponsored educational activities. Commercial support from industry does not influence educational content, faculty selection, and/or faculty presentations, and therefore, does not compromise the scientific integrity of the educational activity.

Discussion of off-label product usage is made at the sole discretion of the faculty. Off-label product discussion and usage is not endorsed by the Cardiovascular Research Foundation or the course directors of this activity.

Faculty participating in continuing medical education activities sponsored by the Cardiovascular Research Foundation are required to disclose to the activity audience any real or apparent conflicts of interest related to the content of their presentations. Faculty in noncompliance with this policy are not permitted to participate in this activity.

Program Sponsorship and Support

This program is sponsored by the Association of Black Cardiologists, Inc. and the Cardiovascular Research Foundation, and supported through educational grants from Boston Scientific Corporation, Edwards Lifesciences, and Medtronic. The Cardiovascular Research Foundation ensures that its programs are educational and meet the needs of the target audience. This program was developed without influence from commercial supporters.
