

Spirit of the Heart

MEMPHIS

Cardiovascular Risks and the Impact on Your Lifestyle

The Spirit of the Heart Memphis is presented by the
ASSOCIATION OF BLACK CARDIOLOGISTS, INC. (ABC)

The Spirit of the Heart is the ABC's signature community-based program designed to help community leaders, community members, and others interested in community health understand the local impact of cardiovascular disease disparities. The program provides knowledge regarding heart disease prevention, including access to care and lifestyle changes

that are essential for optimal living. Due to continued concerns regarding the COVID-19 pandemic, the Spirit of the Heart Memphis event will be held virtually.

ABC Community Programs are supported, in part, by: Amgen, AstraZeneca, Bristol Myers Squibb, Johnson & Johnson, Novo Nordisk, Sanofi, and Regeneron.

The Hosts:

Jesse McGee, MD
Cardiologist and ABC Member

Lee Harris, BA, JD
Mayor, Shelby County, Tennessee
