INFORMATION

STATEMENT OF NEED

ASCVD has seen a significant reduction in recent years. Yet, the disease is a major cause of disability and death both in the United States and globally. Physicians and clinicians must gain knowledge, skill, and resources to integrate the latest research and clinical guidelines in the context of their own practice. At ESCAPE, attendees will hear nationally renowned speakers discuss ACC/AHA guidelines on hypertension, blood cholesterol, women's heart disease, electrophysiology, interventional cardiology, and congestive heart failure.

CORE COMPETENCIES

Patient Care and Medical Knowledge

COURSE LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Describe the treatment modalities of HFpEF vs HFrEF
- Discuss the key points from the 2025 Hypertension Guidelines
- Recognize the expanding roles of GLP1RA beyond weight loss
- Summarize the diagnosis and treatment of Cardiac Amyloidosis
- Identify the appropriate patient for Left Atrial Appendage Closure
- Explain the role of cardiac prevention across a women's lifespan

WHO SHOULD ATTEND

Cardiologists, Internists, Physician Associates, PharmD and Nurses Practitioners would benefit from this conference. **Specialties:** Emergency Medicine, Family Practice, Endocrinology, Internal Medicine, OB/GYN and Pharmacists.

ACCREDITATION STATEMENT

The Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CONTINUING EDUCATION CREDITS

The Emory University School of Medicine designates this **live** activity for a maximum of **15 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of Nursing Continuing Professional Development (NCPD) by the American Nurses Credentialing Center's Commission on Accreditation. Attendees to this CNE activity will be awarded 15 Nursing contact hours.

MAINTENANCE OF CERTIFICATION (MOC)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **15 MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Georgia Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Participants of the session who complete the evaluation and provide accurate NABP e-Profile information will have their credit for 15 contact hours (1.5 CEU) submitted to CPE Monitor as early as 14 days after the event and no later than 60 days after the event.

CANCELLATION POLICY

If a course is filled or cancelled, Emory will refund the full registration fees. Cancellation after Monday, June 1, 2026, will be refunded less an \$80 administrative fee. Requested registration cancellation must be in writing. ESCAPE is not responsible for participant airline or hotel cancellation penalties, or any other losses incurred because of meeting cancellation.

MEETING MATERIALS

In accordance with Emory University's sustainability initiative, we are offering handouts to attendees via email. Meeting handouts can be **viewed, downloaded, and printed** from this email which will contain an agenda with clickable links. **No printed handouts will be available onsite at the meeting.**

Emory Cardiology is now on Facebook.
